

Habakkuk 1

King James Version (KJV)

(Habakkuk = to embrace; be careful who you embrace. Antichrist will arrive before Jesus)

(Little is known about Habakkuk. He was a prophet to Judah. Israel was very close to be taken by the Assyrians. This Book was written approx. 515 BC)

(God is letting Judah know that they aren't off the hook, either. 200 years later, Babylon will take them captive)

1 The burden which Habakkuk the prophet did see. (burden - oracle)
(Habakkuk was clearly a prophet of God)

²O LORD, how long shall I cry, and thou wilt not hear! even cry out unto thee of violence, and thou wilt not save! (Habakkuk is desperate for help from God. The people are perverted and getting worse by the day. He is trying to teach them, but with no positive results. They're not listening)

³Why dost thou shew me iniquity, and cause me to behold grievance? for spoiling and violence are before me: and there are that raise up strife and contention. (The people of Judah have become evil. They were becoming as bad as the people of the ten northern tribes. Habakkuk must be asking for divine intervention)

⁴Therefore the law is slacked, and judgment doth never go forth: for the wicked doth compass about the righteous; therefore wrong judgment proceedeth. (There is corruption in the government and in the temple. Good people are surrounded by the wicked and the greedy)

(Wicked = the chief prince - Rosh – This was a bad translation. This verse looks forward to the end days. Some believe that it will be Russia today; while others believe it will be the Arabic nations today. Either way, this is prophecy for the end days)

⁵Behold ye among the heathen, and regard, and wonder marvelously: for I will work a work in your days which ye will not believe, though it be told you. (In the end days, Satan will control the world. Yet in that madness, God will empower His Elect to end Satan's rule) Ezekiel-37

⁶For, lo, I raise up the Chaldeans, that bitter and hasty nation, which shall march through the breadth of the land, to possess the

dwellingplaces that are not their's. (Chaldeans = Babylon; Babel means confusion and false teachings. The king of Babylon is a type for antichrist in the end times. Babylon will conquer Judah in about 200 years following this prophecy)

⁷They are terrible and dreadful: their judgment and their dignity shall proceed of themselves. (They will do whatever they want to do and Judah will have no say in the matter)

(In the end days, God said – If they want to believe a lie, I will send them strong delusion) see 2Thessalonians-2:11-12

⁸Their horses also are swifter than the leopards, and are more fierce than the evening wolves: and their horsemen shall spread themselves, and their horsemen shall come from far; they shall fly as the eagle that hasteth to eat. (Back then, this was the Babylonians. They would later conquer Judah and destroy Jerusalem and the temple)

Future: (This is prophecy for the locust army of Revelation – Muslims and Kenites working for antichrist – Satan's one world system)

⁹They shall come all for violence: their faces shall sup up as the east wind, and they shall gather the captivity as the sand. (They capture so many people - as numerous as the sands of the desert)

(Satan will capture the whole world with his lies. 7+ billion people will follow him)

(And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast) Revelation-13:3

¹⁰And they shall scoff at the kings, and the princes shall be a scorn unto them: they shall deride every strong hold; for they shall heap dust, and take it. (They built up mounds of earth against walled cities to take them. When the mound was high enough, the invading armies could just walk over the walls)

(Today, this is an analogy for how deception works as well. The evil ones build up a false narrative to change young minds. After a certain amount of time, people believe it to be the truth)

(What antichrist is not counting on is that the Elect will mess his system up the same way that Israel took Jericho. The walls came

tumbling down. Satan's reign will also come tumbling down when God speaks to the whole world through the Elect)

¹¹ Then shall his mind change, and he shall pass over, and offend, imputing this his power unto his god. (Antichrist will use false religious teachings and political correctness. He will eventually show his true colors. He is pure evil)

¹² Art thou not from everlasting, O LORD my God, mine Holy One? we shall not die. O LORD, thou hast ordained them for judgment; and, O mighty God, thou hast established them for correction. (God will send the Babylonians to correct the evil ones in Israel and Judah)

(In the end days, God will allow antichrist to punish the world for our evil ways)

¹³ Thou art of purer eyes than to behold evil, and canst not look on iniquity: wherefore lookest thou upon them that deal treacherously, and holdest thy tongue when the wicked devoureth the man that is more righteous than he? (The wicked one <Satan> will devour the good man through deceit, usury, manipulation and false religion)
Revelation-13:11

(The word evil here is Chief prince Rosh – Rush – Russia. This word usually refers to the descendants of Esau. Some believe that they are in Russia today. Others believe that this refers to the Arabian Peninsula. Either way, it refers to those who will attack Israel today. This is a prophecy for the end times)

¹⁴ And makest men as the fishes of the sea, as the creeping things, that have no ruler over them? (men = Adam – God's people today <the Christians>; Antichrist & the Kenites will prey upon God's people as if they are just animals – just a prey to be taken)

(Look at social media today. It is free for us to use; because we are the product. They use it to take control of the population. The powerful and corrupt ones use our personal data to control us, while they gather unbelievable riches for themselves)

¹⁵ They take up all of them with the angle, they catch them in their net, and gather them in their drag: therefore they rejoice and are glad. (It will be like catching fish in a net. People won't even know that they are being captured. They will be in a delusional stupor)

(Ironically, the fish sign later became the cipher for Christianity. Christians are being ridiculed and persecuted today, in almost all parts of the world. The Kenites, Muslims and atheists all gang up against us)

¹⁶ Therefore they sacrifice unto their net, and burn incense unto their drag; because by them their portion is fat, and their meat plenteous. (The evil ones will get immensely wealthy and powerful by ripping off the honest and good Christian people. They do it in business, commerce, finance and political correctness; and also with false religious teachings in spirituality. They worship the corrupt system because it benefits them greatly. We already see that today with the rise of billionaires)

(People will believe them because they will become the majority. Yet the majority has been wrong since the beginning of this Age. Those who refuse them will be socially "cancelled")

¹⁷ Shall they therefore empty their net, and not spare continually to slay the nations? (Through their one-world system)

(The one world system will be headed up by antichrist in the end days. There is no end to Satan's lust for power and control)
