

Amos 6

King James Version (KJV)

6 Woe to them that are at ease in Zion, and trust in the mountain of Samaria, which are named chief of the nations, to whom the house of Israel came! (To the 10 northern tribes – this is Europe and North America, today)

(Woe to those who have false security – who practice traditions of men in their churches, instead of learning the Word of God. Woe to those who listen to preacher's sermons but never study the Bible to learn what God says. They ignorantly believe that they are saved)

² Pass ye unto Calneh, and see; and from thence go ye to Hamath the great: then go down to Gath of the Philistines: be they better than these kingdoms? or their border greater than your border? (Calneh, Hamath – fortresses; Gath – a wine press)

See Chronicles-2:55 (The Hebrews <in the Book of Joshua> took in some Kenites, who later became the scribes and record keepers for Israel. Hemath became the location for the House of Rechab. These people are the Kenites – the sons of Cain - the son of Satan and Eve)

(Jesus identified the Kenites and in their place in the Book of John)
John-8:44-46

³ Ye that put far away the evil day, and cause the seat of violence to come near; (Those that deny that judgment day will come)

⁴ That lie upon beds of ivory, and stretch themselves upon their couches, and eat the lambs out of the flock, and the calves out of the midst of the stall; (They take all the very best for themselves through usury, over taxation, and corrupt laws. They seize power to abuse the poor, while they live like kings)

⁵ That chant to the sound of the viol, and invent to themselves instruments of musick, like David; (They try to emulate David in their music, but they are nothing like him. He was a just ruler. They are in it for the money and for the power over others)

⁶ That drink wine in bowls, and anoint themselves with the chief ointments: but they are not grieved for the affliction of Joseph. (They couldn't care less about the people. It's party time for them. They live

lives of luxury and excess; at the expense of the people that they were elected to serve)

⁷Therefore now shall they go captive with the first that go captive, and the banquet of them that stretched themselves shall be removed. (The Assyrians took them captive. They lost their nation and their freedom)

(At the end of this Age, God will take them all captive <past and present>; and they will be judged for their sins)

⁸The Lord GOD hath sworn by himself, saith the LORD the God of hosts, I abhor the excellency of Jacob, and hate his palaces: therefore will I deliver up the city with all that is therein. (God hates the luxurious palaces of the corrupt rulers of the 10 northern tribes <Samaria>. Samaria means watch mountain. They did just the opposite. They abandoned God and preyed upon the people that they should have been serving)

NOTE: (We have the same problem today with the corrupt rulers; the corrupt judges who take bribes and the corrupt oligarchs who work with them. They abuse the people while they get richer and richer in order to live like kings. Nothing changes. But Jesus will end it forever when He returns)

⁹And it shall come to pass, if there remain ten men in one house, that they shall die. (These are men who leave God out of their lives and the idol worshippers. They will die spiritually, down to the last man)

(In the end times, all people like that will be taken by the antichrist. They will be deceived into worshipping him; instead of worshipping God)

¹⁰And a man's uncle shall take him up, and he that burneth him, to bring out the bones out of the house, and shall say unto him that is by the sides of the house, Is there yet any with thee? and he shall say, No. Then shall he say, Hold thy tongue: for we may not make mention of the name of the LORD. (These are the heathen, atheists, politically correct, Muslims; even the Christians that are being misled into traditions of men. They never learned the Word of God. They will think that antichrist is Jesus, returned. They are all spiritually dead)

¹¹For, behold, the LORD commandeth, and he will smite the great house with breaches, and the little house with clefts. (breaches = the drippings <Hebrew>; water leaks in to ruin a house)

(clefts = to slicing through)

(These are the houses of those that turned their backs on God)

¹² Shall horses run upon the rock? will one plow there with oxen? for ye have turned judgment into gall, and the fruit of righteousness into hemlock: (You don't run a horse on rock face. It can slip and injure itself)

(Will one plow there = Will one plow in the sea – bad translation)

(gall is cheap wine mixed with opium; hemlock is a deadly poison)

(These examples are nonsensical. God is saying that the things that these people do, are even more ridiculous than these examples. Like, abandoning Almighty God in order to worship a golden calf that you made with your own hands. That would be the ultimate nonsense)

¹³ Ye which rejoice in a thing of nought, which say, Have we not taken to us horns by our own strength? (To think that we can save ourselves by our own power– God sees this as nonsense. Only He can save us)

NOTE: (Today, people think that they can save themselves with wealth and power over others. That is as nonsensical as ever. Their ways and means will mean nothing when Satan arrives as antichrist. He will wield enough power to deceive the whole world for 5 months)

¹⁴ But, behold, I will raise up against you a nation, O house of Israel, saith the LORD the God of hosts; and they shall afflict you from the entering in of Hemath unto the river of the wilderness. (Hemath was the father of the house of Rechab – the Kenites) (wilderness = ha-arabia = the end of the day<dusk>; They will be with you to the end)

1Chronicles-2:55 (Israel took the Kenites into their own land. They infiltrated the government to eventually become their scribes – their record keepers)

NOTES: (Today we let Muslims into our own country. We allow them to create their own little districts where Christians are not welcome. They have no intention of joining us as immigrants. Their doctrine is to conquer and force their will on others. This is total nonsense on our part)

(God will chastise the proud who think they can save themselves. Look at the US today, with the "humanists" and the atheists, and the agnostics. The US was a Christian country not long ago. We have lost our spirituality. This is what happened in Israel in Amos' time)
